FINANCE DEPARTMENT.

NOTIFICATIONS.

Fort St. George, January 9, 1935 (G.O. No. 12, Finance).

No. 19.—

In exercise of the powers conferred by Fundamental Rule 44, the Governor in Council and the Governor acting with the Ministers hereby direct that the following amendments shall be issued to Annexure VII to the Madras Travelling Allowance Rules :—

AMENDMENTS

(1) *Insert* the following as a note under rule 1 as introduced in G.O. No. 526, Finance, dated 20th August 1934 :—

"The members of a Governor's household, *i.e.*, members of his family and his servants, but excluding members of his personal staff, may travel free of charge if accompanying the Governor in the saloon exclusively reserved for his use. The wife of a Governor may also travel, with or without her children and servants, by ordinary train, unaccompanied by her husband, but within his province, in the saloon exclusively reserved for the Governor; the ordinary haulage rate chargeable for the saloon being debitable to Government."

(2) *Substitute* the following for clause (1)(*b*) (*i*) of rule 3 as inserted by G.O. No. 311, Finance, dated 1st May 1933 :—

"(*i*) Any person travelling with the Government servant in the reserved accommodation must pay the usual fares to the railway by the purchase of first-class tickets, and in every bill for travelling allowance in respect of a journey performed in reserved accommodation the Government servant reserving the accommodation must specify the number of persons who travelled with him and certify that the necessary tickets were purchased by them

The fares paid by persons travelling with a high official in a carriage or compartment reserved for him will be adjusted as follows :—

(*a*) In the case of a saloon belonging to the ordinary stock of a railway, for which charges at public rates are payable, when the actual fares for the number of occupants amount to more than the minimum charge payable for the saloon, the difference shall be retained by the railway.

(*b*) In the case of a first-class compartment, when the number of occupants is in excess of the minimum number of fares for which the compartment can be reserved for the public, fares for the number of occupants in excess of the minimum number of first-class fares, shall be retained by the railway.

(*c*) The portion of fares, which is not to be retained by the railway, shall be credited to the department which bears the charge for the haulage of the reserved accommodation, by deduction from the bills of the railway submitted to the department concerned.

NOTE.—The Government servant reserving the accommodation shall be required before beginning the journey to have the number and other details of the tickets purchased for the persons travelling with him in the reserved accommodation entered on the requisition form by the station master of the station from which the journey is to commence. This is necessary in order to enable an adjustment to be made between the civil and railway departments in respect of the fares realised by the railways.

In cases where no travelling allowance bill is presented in connexion with the railway journeys, the high official will send the certificates prescribed to audit as soon as the journey by requisition is completed."

11. When a subscriber is transferred to foreign service or sent on deputation out of India, he shall remain subject to the rules of the Fund in the same manner as if he were not so transferred or sent on deputation.

Realization of subscriptions.

12 (1) When emoluments are drawn from a Government treasury in India or from the Home or a Colonial treasury, recovery of subscriptions on account of these emoluments and of the principal and interest of advances shall be made from the emoluments themselves ; except that, when emoluments other than sterling overseas pay are to drawn in India, deductions in respect of sterling overseas pay, when admissible, shall be made in India.

21A. (*i*) A married subscriber to the Fund may substitute, for subscriptions to the General Provident Fund, payments towards either (i) a policy of assurance effected on his own life, if the policy, on the face of it, is for the benefit of his wife or of his children or of any or all of these, provided that, if such policy matures not at death, but after a period of years, the date of maturity shall not be earlier than the earliest date on which the subscriber may, by the terms of his service, retire; or (ii) any policy of assurance effected on his own life which he has assigned to trustees by a deed of settlement for the benefit of his wife or of his children or of any or all of these.

APPENDIX C.

(See Rule 14.)

Executive Instructions.

The following are deemed to be good and sufficient reasons for the grant of advances, provided the sanctioning authority is satisfied that the applicant's pecuniary circumstances justify an advance, and that the amount advanced will be expended on the object for which it is given :—

(a) To pay expenses incurred in connexion with the prolonged illness of a subscriber or any person actually dependent on him;

(b) to pay for the overseas passage for reasons of health or education of a subscriber or any person actually dependent on him.

(c) to pay obligatory expenses on a scale appropriate to the subscriber's status in connexion with marriages, funerals or ceremonies which by his religion it is incumbent on him to perform.

Sanctioning authorities should reject an application for an advance to repay a debt incurred on account of illness or any other recognized purpose, made unreasonably long after the event to which it relates.

Advances are not rigidly confined to the objects mentioned in clauses (a) to (c) above, but may be sanctioned only for reasons no less cogent. An advance may not be granted for the purchase of a house or land, or for the erection of, or repairs to, a building, or to meet the expenses of law suits, or to repay ordinary debts, or to furnish security deposits, or to purchase motor cars or other means of conveyance, or to meet the marriage expenses of a European, Anglo-Indian or Indian Christian subscriber or any person actually dependent on him.

APPENDIX D.

(See Rule 16.)

Where a subscriber intends to take out a life assurance policy in any Company and to substitute premiums on such a policy for subscriptions to the General Provident Fund, he should satisfy himself that the Company concerned is a sound one. Every Life Assurance Company working in India is required by law to deposit with the Government of India copies of the following documents :—

(a) The actuary's report on the latest investigation made by him into its financial condition including a valuation of its liabilities,

(b) life assurance revenue account for the last financial year, and

(c) balance sheet as at the close of the last financial year,

These should be asked for. The subscriber should examine the documents and apply the following three tests to judge for himself the financial stability of the Company :—

(1) Whether the latest actuarial investigation disclosed a *divisible surplus*, namely, a surplus a portion of which was allocated to policy-holders,

(2) whether the revenue account shows that the expenses of management, including commission, did not absorb more than a third of the premium income in the last financial year, and

(3) whether in the latest balance sheet "loans on personal security" did not constitute an appreciable portion of the total assets of the Company.

APPENDIX E.

(See Rule 30)

1. Any sum payable under rule 30 to a member of the family of a subscriber vests in such member under sub-section (2) of section 3 of the Provident Funds Act, 1925.

2. When a nominee is a dependent of the subscriber as defined in clause (c) of section 2 of the Provident Funds Act, 1925, the amount vests in such nominee under sub-section (2) of section 3 of the Act.

3. When the subscriber leaves no family and no nomination made by him in accordance with the provisions of rule 7 subsists, or if such nomination relates only to part of the amount standing to his credit in the Fund, the relevant provisions of clause (*b*) and of sub-clause (ii) of clause (*c*) of sub-section (1) of section 4 of the Provident Funds Act, 1925, are applicable to the whole amount or the part thereof to which the nomination does not relate.

1934 ലെ വേലശാല ആക്ടുപ്രകാരം ഉണ്ടാക്കിയ കരടു് ചട്ടങ്ങൾ.

1-ാം അദ്ധ്യായം.

പ്രാരംഭം.

1. ഈ ചട്ടങ്ങൾക്കും കല്പനകൾക്കും 1934 ലെ മദിരാശി വേലശാല ചട്ടങ്ങൾ എന്നു പേർ പറയാം.

2. ഈ ചട്ടങ്ങളിലും കല്പനകളിലും—

(a), "ആക്ടു്" എന്നതിനു 1934 ലെ വേലശാല ആക്ടു് എന്നർത്ഥമാകുന്നു.

(ഖ). ആക്ടിൽ വിവരിച്ചിരിക്കുന്ന ചട്ടങ്ങൾക്കും പദാവലികൾക്കും ആക്ടിലുള്ള അർത്ഥം തന്നെയാണെന്നു കരുതേണ്ടതാകുന്നു.

(ഗ) "കൃത്രിമമായി വായു തണുപ്പിക്കുക" എന്നതിനു എതെങ്കിലും കൃത്രിമാർഗ്ഗത്തിൽ കൂടി ഒരു ദിശയിൽ നനവ് കടത്തിവിടുക എന്നർത്ഥമാകുന്നു. ഇതിൽ (i) വിളക്കു പൊക്കുന്ന ആവശ്യങ്ങൾക്കുവേണ്ടി ഗാസ്സോ എണ്ണയോ കത്തിക്കുന്നതും (ii) വല്ല നിർമ്മാണ പദ്ധതിയും നടത്തുന്നതിനുവേണ്ടി വല്ല വസ്തുവോ സാധനമോ വെളുപ്പിക്കൊണ്ടോ നിരവധികൊണ്ടോ ചാക്കപ്പെടുത്തുന്നതിൽനിന്നു ഒഴികയോ നിനവിയെ അവശ്യം ചുരുക്കുക എന്നതുപോകുന്നതും ഉൾപ്പെടുന്നതല്ല; എന്നാൽ ഉദിയുടെ കൂട്ട 80 ഫാരൻഹീറ്റ് ഡിഗ്രിയോ അതിലധികമോ ആയിരിക്കുമ്പോൾ ഉറന്ന നനവായിരുക്കുകയും വായുസമ്പർക്കത്തിനുള്ള പ്രതലങ്ങൾക്കും പുറമെ വെച്ചിരിക്കുന്ന നനവുള്ള പായകളിലോ തട്ടികളിലോ കൂടി പുറത്തുനിന്നു വായു കടത്തിവിട്ടു തണുപ്പിക്കുന്നതായി കരുതുവാൻ പാടുള്ളതല്ല.

(ഘ). ഒരു "ബൊർഡ് ഫാക്ടർ" എന്നതു ബെൽട്ട് കപ്പിയിൽനിന്നു വിട്ടുപോകയോ നീങ്ങുകയോ ചെയ്യാൽ, അതു തുക്കിയിടുവാൻ വേണ്ടി കപ്പിയുടെ ഒരുത്തിനും മേൽഭാഗത്തിനും അടുത്തു ഉറപ്പിച്ചിരിക്കുന്ന ഒരു പിടിയോ നക്കയോ ആകുന്നു.

(ങ). "ചീഫ് ഇൻസ്പെക്ടർ" എന്നതിനു ആക്ടിലെ 10-ാം വകുപ്പ് (2) - ാം ഉപവകുപ്പുപ്രകാരം ചീഫ്ഇൻസ്പെക്ടറായി നിശ്ചയിക്കപ്പെട്ട ആൾ എന്നർത്ഥമാകുന്നു.

(ച). "തണുപ്പിക്കുന്നതിനുള്ള ശക്തി" എന്നുപറഞ്ഞാൽ ഒരു കാറാ-തമ്മോമീറ്റർകൊണ്ടു അളക്കാവുന്നതായി ഒരു നിമിഷത്തിൽ ഒരു ചതുരശ്ര സെൻറിമീറ്റർ സ്ഥലത്തു എത്തു മില്ലി കലോറിസ്സ് തണുപ്പിക്കുന്നതിനു വായുവിനു ശക്തിയുണ്ടെന്നുള്ളതാകുന്നു.

(ഛ). മൂടിന്റെ ഒരു "ഡിഗ്രി" എന്നതിനു ഫാർണ്ണീറ്റ് തോതുപ്രകാരമുള്ള ഒരു ഡിഗ്രി എന്നർത്ഥമാകുന്നു.

(ജ). "ഇൻസ്പെക്ടർ" (ക്ലർക്കുമാരു) എന്നതിനു.....പ്രകാരം .....വരെ ചട്ടങ്ങളിൽ നിന്നുയിച്ചിരിക്കുന്ന നിശ്ചയങ്ങൾക്കനുസരിച്ചോ അതുപോലെയുള്ള മറ്റു ഏതു കൃത്യമായ വൈദ്യുതിയും ഉപയോഗിച്ചു തർമ്മോമീറ്റർ എന്നർത്ഥമാകുന്നു.

(i)- "ഇൻസ്പെക്ടർ എന്നതിനു ആക്ടിലെ 10 - ാം വകുപ്പ് (1)-ാം ഉപവകുപ്പുപ്രകാരം ഇൻസ്പെക്ടറായി നിശ്ചയിക്കപ്പെട്ട ആൾ എന്നർത്ഥമാകുന്നു.

(ഝ). "കാറാ-തമ്മോമീറ്റർ" എന്നതിനു വായുവിന്റെ തണുപ്പിക്കുന്നതിനുള്ള ശക്തി അളക്കുന്നതിനുവേണ്ടി പ്രൊഫസ്സർ ലിയൊനാഡ് ഹിൽ, എം. ബി., എഫ്. ആർ.

REVENUE NOTIFICATIONS.

NOTICE OF CONDITIONS OF ISSUE OF FIXED FEE FOREIGN LIQUOR LICENCES.

No. 1.—The following notification is issued in supersession of Notification No 1, dated 12th January 1934 published in the *Fort St. George Gazette*, Part II, dated 20th January 1934.

In exercise of the power conferred on him under section 4 (p) of the Madras Abkari Act, 1886, the Commissioner of Excise hereby prescribes, under section 24 of the Act, the following rules for regulating the issue of licences on fixed fees for the compounding, blending, bottling and sale of potable foreign liquors, locally-made 'foreign liquors' and coconut toddy arrack from and after the 1st April 1935 within the limits of the Madras Presidency :—

1. The term 'foreign liquor' in these rules includes all wines, spirits and beer imported into the Presidency by sea or land, plain rectified spirits imported or locally made and on which the tariff rate of duty has been paid; and beer brewed in India or beer imported in a condensed form and afterwards converted into potable beer and duly secured, but excludes locally-made 'foreign' liquor, denatured spirits, coconut toddy arrack and ordinary arrack. In the case of licences to chemists, druggists and other approved firms or persons, however, for the sale of pure rectified spirits only, the term 'foreign liquor' means pure rectified spirits imported from foreign countries by sea or manufactured in this country and excised at the tariff rate of duty.

"Locally-made 'foreign' liquor" is spirit manufactured or compounded in British India and made in colour and flavour to resemble gin, brandy, whisky or rum imported from foreign countries and includes 'milk punch' and other liquor with the composition of which only such spirit enters. It is excised at Rs 21-14-0 per proof gallon; its sale is permitted in all foreign liquor shops except those licensed for the exclusive sale of beer, medicated wines and rectified spirits.

'Coconut toddy arrack' is spirit manufactured from toddy at the Chowghat distillery in Malabar and excised at Rs. 21-14-0 per proof gallon; its sale is permitted in all foreign liquor shops except those licensed for the exclusive sale of beer, medicated wines and rectified spirits. The maximum limit of private possession is two imperial gallons.

NOTE.—(1) The minimum strengths at which imported and locally-made 'foreign' spirits can be sold are 35° U. P. for gin, 40° U. P. for cocktails, arrack and coconut toddy arrack and 25° U.P. for all other kinds of spirits including Indian arrack, except denatured spirits.

(2) Holders of foreign liquor licences should not dispose of any liquor imported by them until cleared from the Customs Bonds on payment of provincial duty; but on requisitioning the suppliers with the strength of the liquor and satisfying themselves that it is not below the sale in minimum strength. If on test at the Excise Chemist's Laboratory it is found that any such liquor is below the minimum strength and has been sold, the excise rules will be rigidly enforced against such licensees.

(3) Holders of foreign liquor licences should send samples of liquors of foreign origin, imported by them from other provinces, for test in the Commissioner's laboratory and should not sell them until the result of the test is made known.

(4) 'Rectified spirits' includes 'absolute alcohol.'

'Indian' beer is beer brewed in India (a) which contains at least two bushels of malt and two pounds of hops per hogshead and in the manufacture of which jaggery or crude cane sugar is employed, (b) which is brewed at a higher original gravity than 1.058° on a standard saccharometer and (c) the maximum price of which at the brewery is Rs. 40 * per hogshead *plus* the excise duty in force at the time of issue.

2. Licences for the sale of foreign liquors, locally-made 'foreign' liquors and coconut toddy arrack shall be of the following descriptions :—

I. *F.L.-1. Wholesale licences for the sale of foreign liquor, locally-made 'foreign' liquor and coconut toddy arrack, not to be drunk on the premises.*—These will be issued on an annual fee of Rs. 1,000 in Madras and Rs 600 in all or districts at the discretion of Collectors. Under these licences the sale of liquor in quantities less than two imperial gallons or a dozen reputed quart bottles or two dozen reputed pint bottles at a time is prohibited. The holders of this licence will have the privilege of issuing to licensed dealers, to recognised clubs and messes and to respectable private persons samples in quantities not exceeding one quart in the case of beer and one pint in the case of other liquors. These issues of samples should be separately exhibited in the accounts. In Madras town, holders of this licence will not be allowed to sell "Indian" beer. Holders of this licence are prohibited from selling cocoanut toddy arrack in bulk to private persons in Malabar district and are permitted to sell it to such persons only in bottles, sealed and labelled in accordance with the bottling rules (a).

II. *F.L.-2 and F.L.-3. Retail licences for the sale of foreign liquor, locally-made 'foreign' liquor and coconut toddy arrack, not to be drunk on the premises (a).*—These will be of two kinds—one (F.L.-2) for the sale of all kinds of foreign liquor except 'Indian' beer and of locally-made 'foreign' liquor and coconut toddy arrack and the other (F.L.-3) for the sale of beer brewed in India.

(a) † The former will be issued at the discretion of the Commissioner and Collectors on payment of an annual fee of Rs 1,000 in the Nilgiris except Gudalur, Rs. 760 in the town of Madras and in Gudalur, Rs. 500 in towns having a population of 25,000 and over and in Kodaikanal, Yercaud, Conoor and Anjuvannumdram and Rs. 200 in the rest of the Presidency ‡. Under these licences the sale of liquor in a quantity less than one reputed pint and greater than two imperial gallons in one transaction will be prohibited.

(b) Retail licences (F.L.-3) for the sale of beer brewed in India will be issued to successful bidders for beer shops on payment of an annual fee of Rs. 50.

III. *F.L.-3. Licences for the sale of brandy by chemists on the prescription of a qualified medical practitioner.*—These will be issued by Collectors on an annual fee of Rs. 5.

IV. *F.L.-7. Hotel licences for the supply of residents in hotels and boarding houses.*—These will be of two classes and subject to payment of an annual fee of Rs. 500 or Rs. 225 in Madras, of Rs. 100 or Rs. 50 on the Nilgiris, and of Rs. 50 or Rs. 25 in the rest of the Presidency, as may in each case be determined by the Collector. No liquor may be sold under these licences otherwise than to residents in hotels and boarding houses for their own use and that of their guests, or to casual visitors requiring liquor with the meal or meals supplied to them.

F.L.-8. In Madras a holder of a hotel licence desirous of setting up and maintaining in his hotel a bar or bars may, on payment of a monthly fee of Rs. 100 for a first-class bar or Rs. 50 for a second class bar, be granted a separate licence to be called a bar licence. This will cover the sale of foreign liquor, locally-made 'foreign' liquor and coconut toddy arrack under the same conditions and to the same extent as the tavern licence.

In Madras, special bar licences will also be issued to others than holders of hotel licences with the previous sanction of the Commissioner. The fees in such cases will be fixed by the Commissioner and the licensee will entitle the holders to sell to all comers.

V. *F.L.-9* and *F.L.-10. Refreshment-room licences* will be of two classes—

(a) *F.L.-9. For refreshment-rooms maintained by, or under the supervision and control of, railway companies and proprietors or managers of lines of tick carriages for the supply on the premises of travellers by such railways or tick lines.*—The annual fee payable for each licence will be fixed by the Commissioner from time to time. Under these licences liquor may be sold to bona fide travellers or to other persons served with regular meals in the rooms for consumption on the premises to any retail, provided that no more than one reputed quart of spirits or two reputed quarts of any other kind of liquor sold at the refreshment-room may be sold at one time to any such traveller for removal from the premises.

* The supply of Indian beer from Mangalore Brewery will be restricted to shops which have obtained beer from that brewery during 1933-34.

(a) Holders of F.L.-1 and F.L.-2 licences may stock and sell rectified spirit provided (1) that separate accounts are kept for transactions under this head, (2) that receipts are obtained for consignments included with liquors showing the kind or description of spirit contained therein and the place of manufacture, (3) that consignments of rectified spirits imported from other provinces are not opened in any case but are verified by re-Excise Officer, (4) that accounts are maintained of the rectified spirit received in the case of re-shipments of rectified spirits from other provinces in India, the source of supply from such cases of re-issue if obtained by way of both other particulars as may be prescribed, (5) that accounts showing separately the consumption of imported and locally made rectified spirit should be furnished.

† NOTE.—In places where there are beer shops, holders of retail licences for the sale of all kinds of foreign liquor except Indian beer will be permitted to sell Indian beer brewed in India on bundh premises only in bottles as bottled at the brewery at which it was brewed.

(b) *F.L.-10. For refreshment-rooms in which the sale of liquor is ordinarily combined with the supply of meals or of eatables prepared and served in the European manner.*—The annual fee will be Rs. 500 in Madras and Rs. 75 in the rest of the Presidency. It will at all times be optional with the Collector to withdraw licences of this description if it should appear that the sale of liquor to persons who have not partaken of meals in the refreshment-room is permitted to such an extent or so habitually that the refreshment-room may fairly be classed as a tavern. Sale of liquor for removal from the premises will not be allowed under these licences. The premises to be used for the sale of liquor under these licences must be at least of the monthly rentable value of Rs. 50 in Madras and in Cottonmund and Cuddalore Municipalities and of Rs. 25 in the rest of the Presidency.

VI. *F.L.-11 Occasional licences, such as licences for the sale at refreshment stalls in connexion with race meetings and public entertainments.*—These will be granted by Collectors at their discretion for periods not exceeding ten days at one time and at such fees not exceeding Rs. 100 on each occasion as they may determine. No removal of liquor from the premises will be allowed under these licences.

VII. *Special licences* will also be granted by Collectors in consultation with the officers of the Excise department when the circumstances are such as not to allow of the issue of licences of any of the above descriptions on such terms and conditions and for such periods as they may on each occasion determine.

VIII. *F.L.-12 Auctioneer's licences.*—Annual fee, Rs. 5. The following are important provisions of the licence:—

(a) Liberty to give sample bottles in respect of all consignments, whether trade consignments or the property of private persons, in order that intending purchasers may have the opportunity of testing high class wines and spirits at their own houses before the auction sale.

(b) Authority to sell wines, spirits and beer in less quantities than whole dozens of each description in the case of sale by auction of the property of private parties or estates or of trade consignments which are sullaged or otherwise unmerchantable.

(c) Authority to sell by auction at places other than that specified in the licence, viz., at any private residence at which the licensee may hold an auction.

IX. *F.L.-13. Licences for the sale of pure rectified spirits.*—These will be issued to chemists and druggists and other firms or persons specially approved by Collectors, on payment of an annual fee of Rs. 10. Under these licences the possession of pure rectified spirits in excess of ten imperial gallons for such larger quantity as the Collector may, in consultation with the officers of the Excise department, specially authorise) is prohibited. Pure rectified spirits must not be sold under these licences for other than bona fide medical, industrial and scientific purposes, and the maximum limit of sale at one time to the same person is restricted to one reputed pint in the case of sale to a private individual, two reputed quarts in the case of sale to a chemist, medical practitioner or scientific body and three imperial gallons to any Government, Local fund or Municipal hospital. Receptacles containing rectified spirits should be labelled with label showing the kind or description of spirit contained therein and the place of manufacture; consignments of rectified spirit imported from other provinces should not be opened before they are verified by an Excise Officer. Tenders will be received by the Executive Engineer, Kistna Central Division, at his office at Bezwada, up to 4 p.m. on 25th February 1935 for the work of forming a cement concrete roadway over the Kistna Anicut.

The tender should be in the prescribed form obtainable from the Executive Engineer's office

2. Tenders must be submitted in sealed covers, and should be addressed to the Executive Engineer, Kistna Central Division, the name of the tenderer and the name of the work being noted on the cover.

If the tender is made by an individual, it shall be signed with his full name and his address shall be given. If it is made by a firm, it shall be signed with the co-partnership name by a member of the firm, who shall also sign his own name, and the names and address of each member of the firm shall be given. If the tender is made by a corporation, it shall be signed by a duly authorised officer who shall produce with his tender, satisfactory evidence of his authorisation. Such tendering corporation may be required, before the contract is executed, to furnish evidence of its corporate existence.

3. Each tenderer must pay, as earnest money, a sum of rupees two hundred only into the Branch of the Imperial Bank of India or into the Government treasury or sub-treasury within the jurisdiction of the Executive Engineer concerned to the credit of Revenue Deposits on behalf of the Executive Engineer of the Kistna Central Division and enclose with his tender the chalan endorsed accordingly. This earnest money will be refunded to the unsuccessful tenderer on application, after intimation is sent of rejection of the tender or at the expiration of two months from date of tender, whichever is earlier. The refund will be authorised by the Executive Engineer by suitable endorsement on the chalan. The earnest money will not be received in cash or currency notes by the Public Works Department Officers.

The earnest money will be retained in the case of the successful tenderer and will not carry any interest. It will be dealt with as provided in the tender.

4. When a tender is to be accepted, the tenderer whose tender is under consideration shall attend the Division office on the date fixed by written intimation to him. He shall forthwith upon intimation being given to him by the Executive Engineer of acceptance of his tender make a security deposit of rupees two hundred only in one of the forms prescribed in the Madras Public Works Account Code and sign an agreement in the proper departmental form for the due fulfilment of the contract. This security deposit together with the earnest money and the amount withheld according to clause 15 of the standard preliminary specification of the Madras Detailed Standard Specifications will be retained as security for the due fulfilment of this contract. If a cash security deposit is made by the contractor he shall follow the procedure laid down in the preceding paragraph for payment of earnest money and such deposit will not bear interest. Failure to enter into the required agreement or to make the security deposit as defined in this paragraph shall entail forfeiture of the earnest money.

5. The tenderer shall examine closely, the Madras Detailed Standard Specifications, and also the Standard Preliminary Specification contained therein, and scan the Divisional Office copy of the Madras Detailed Standard Specifications and its addenda volume in token of such study before submitting his tender unit rates which shall be for detailed work in situ. He shall also carefully study the drawings and additional specifications and all the documents which form part of the agreement to be entered into by the accepted tenderer. The Madras Detailed Standard Specifications and other documents connected with the contract such as specifications, plans, descriptive specification sheet regarding materials, etc., can be seen at any time between 11 a.m. and 5 p.m. on office days, in the office of the Executive Engineer, Kistna Central Division.

6. The tenderer's attention is directed to the requirements for materials under the clause "Materials and workmanship" in the "Preliminary Specification." Materials conforming to the British standard Specifications shall be used on the work, and the tenderer shall quote his rates accordingly.

7. Every tenderer is expected, before quoting his rates, to inspect the site of the proposed work. He should also inspect the quarries and satisfy himself about the quality and availability of materials. The names of quarries, kilns, etc., where from certain materials are to be obtained will be given in the Descriptive Specification Sheet. The best class of materials to be obtained from the quarries or other source named shall be used on the work. In every case the materials must comply with

the relevant standard specification. Samples of materials as called for in the standard specifications, or in this render notice, or as required by the Executive Engineer in any case, shall be submitted for the Executive Engineer's approval before the supply in site of work is begun. If the contractor, after examination of the source of materials defined in the Descriptive Specification Sheet, is of opinion that materials complying with the standard or other specifications of the contract cannot be obtained in quality or sufficient quantity from the source defined in the Descriptive Specification Sheet, he shall so state clearly in his tender and state wherefrom he intends to obtain materials, subject to the approval of the Executive Engineer.

The Government will not, however, after acceptance of a contract rate pay any extra charges for lead or for any other reason, in case the contractor is found later on to have misjudged the materials available. Attention of the contractor is directed to the standard "Preliminary Specification" regarding payment of seigniorage, tolls, etc.

6. The tenderer's particular attention is drawn to the sections and clauses in the standard "Preliminary Specification" dealing with—

(1) Test, inspection and rejection of defective materials and work.
(2) Carriage
(3) Construction plant.
(4) Water and lighting.
(5) Clearing up during progress and for delivery.
(6) Accidents.
(7) Delays.
(8) Particulars of payment.

The contractor should closely peruse all the specification clauses which govern the rates which he is tendering.

7. A schedule of quantities accompanies this tender notice. It shall be definitely understood that the Government does not accept any responsibility for the correctness or completeness of this schedule, and that this schedule is liable to alterations by omissions deductions, or additions at the discretion of the Executive Engineer, Kistna Central Division, or as set forth in the conditions of contract. The tenderer will, however, base his lump-sum tender on this schedule of quantities. He should quote specific rates for each item in the schedule, and the rates should be in rupees, annas, and in sums of three pies. The rates should be written both in words and figures and the units in words. The tenderer should also show the totals at each item and the grand total of the whole contract, and quote in the tender a lump sum for which he will undertake to do the whole work subject to the conditions of contract. This schedule accompanying the lump-sum tender shall be written legibly and free from erasures, overwritings or corrections of figures. Corrections, where unavoidable, should be made by crossing out, initialing, dating and rewriting.

8. Tenders offering a percentage deduction from or increase on the estimate amount, and those not submitted in proper form or in due time will be rejected. Rates or lump-sum amounts for items not called for shall not be included in the tender. No alteration which is made by the tenderer in the contract form, the conditions of contract, the drawings specifications, or quantities accompanying same will be recognized; and, if any such alterations are made, the tender will be void.

11. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

12. The price at which and the source from which certain particular materials shall be obtained by the contractor are given at the end of the schedule accompanying the tender form. Tenderers must accept the material at these prices, and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market value for these materials, the charge to the contractor will remain as originally entered in the written contract. No carriage or incidental charges will be borne by Government in connexion with this supply.

13. The attention of the tenderers is directed to the contract requirements as to the time of beginning work, the rate of progress, and the dates for the completion of the whole work and its several parts. The following rate of progress and proportionate value of work done from time to time, as will be indicated by the Executive Engineer's certificates of the value of work done, will be required. Date of commencement of this programme will be the date on which the site (or premises) is handed over to the contractor.

Period after date of commencement.	Percentage of work completed (based on contract lump-sum tender).
One and a half months	40 per cent.
Two and a half months	90 per cent.
Three months	100 per cent.

14. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power-of-attorney authorising others to receive payment on the contractor's behalf.

15. If further necessary information is required, the Executive Engineer of the Division will furnish such, but it must be clearly understood that tenders must be received in order, and according to instructions.

16. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

17. No extra payment will be made any baling or pumping of water that may be necessary during the execution of the work.

The charges should be included in the unit rates for the respective items of work.

18. Preference will be given to tenderers who use mechanical mixtures. Tenderers should state what plant they will use on the work.

STATEMENT OF OBJECTS AND REASONS

Professional pilgrim guides many of whom are foreign subjects, play an important part in connection with the Haj pilgrimage. Their activities were originally confined to the Hedjas, but now extend to the recruitment of pilgrims from foreign countries, and with this object in view foreign pilgrim guides frequently visit India. During the three or four months preceding the Haj Day, pilgrim guides, both Indian and foreign, tour throughout the country especially Bengal endeavour to secure as many clients as possible, and escort them to the Hedjas. Some of them do their work honestly and to the benefit of pilgrims, but unfortunately others are unscrupulous and dishonest. The question whether any action could be taken to control the activities of pilgrim guides and the remedy in India was accordingly examined by the Haj Inquiry Committee, vide paragraphs 244 to 248 and recommendations 201 to 203 of their Report.

In Bengal and Bombay there are already provincial Acts under which every "pilgrim-broker", or person dealing as an intermediary in passage tickets for pilgrims, is required to take out a licence for carrying on his trade; but only the Bengal Act extends to professional pilgrim guides (*mutawifs*) and requires them, unless they are Arab subjects, to obtain licences. The Bengal and Bombay Acts have no force in other parts of India. The Haj Inquiry Committee recommended that the provincial Acts should be replaced by an Act of the Indian Legislature, which Act should require all pilgrim guides and their agents, of whatever nationality, to obtain licences to carry on their trade in any part of India. The Government of India carefully examined the Committee's proposals in consultation with the Governments of Bombay and Bengal and other interested parties, including the Standing Haj Committee of the Indian Legislature, and came to the conclusion that legislation on the subject was necessary. A Bill on the subject was accordingly introduced in the Legislative Assembly on the 31st March, 1932, and referred to a Select Committee on the 5th April, 1932. The report of the Select Committee was presented on the 6th February, 1933. On the 16th September, 1933, the Bill was recommitted to

the Select Committee and its report was presented on the 2nd August, 1934. The Bill could not be proceeded with in the last session of the last Assembly and, therefore, lapsed. The present Bill is identical with the Bill as amended by the second Select Committee. The reasons for the various provisions included in the Bill are stated briefly in the Notes on Clauses.

G. S. BAJPAI.

NEW DELHI,
The 22nd January, 1935.

NOTES ON CLAUSES.

Clause 1.—As pilgrim guides want the whole of India, sub-clause (2) extends this Act throughout British India, but sub-clause (3) reserves the power to bring it into force in any province to the Local Government.

Clause 2.—The definition of "pilgrim" and "pilgrimage" has been assimilated as closely as possible to the definitions in the Indian Merchant Shipping Act, 1923, and in the Port Haj Committee Act, 1932. The definition of "pilgrim guide" is based on the recommendation of the Haj Inquiry Committee in paragraph 245 of their Report, but it is more comprehensive and drafted with closer reference to section 2 of the Indian Contract Act, 1872. It includes the persons defined as "pilgrim brokers" in the two local Acts, namely, the Protection of Pilgrims Act, 1887 (Bombay Act II of 1887), and the Protection of Muhammadan Pilgrims Act, 1800 (Bengal Act I of 1896).

Clauses 3, 4 and 5.—Clause 3 reserves to the Governor General in Council a rule-making power which will secure co-ordination and the necessary degree of similarity throughout the various provinces. Clause 4, however, gives the Local Government power to appoint the authority which will grant licences to and control pilgrim guides, and clause 5 will allow the Local Government to supplement the rules of the Governor General in Council to provide for local conditions.

Clauses 6 and 7.—Clause 6 imposes a penalty on persons who act as pilgrim guides without licences, and clause 7 raises a presumption that, where a person volunteers to act as a pilgrim guide without consideration, then he does so in the hope of a reward.

Clause 17 recognises that though a pilgrim guide's field of operations may be in an up country province, yet it is reasonable that he should be allowed to accompany his recruits to the port of embarkation. Hence, the clause allows him to enter into negotiations with intending pilgrims only in the province to which he is given a licence, but enables him to accompany his group of pilgrims to the port. It does not, however, entitle him to act as a pilgrim guide in the port unless he holds a licence granted in the province in which the port is situated. It is necessary to impose this condition as a pilgrim guide has greater opportunity of defrauding pilgrims at the port than he has in the province to which he is licensed, and it would be difficult for the authorities at the port to prevent him from exploiting such opportunity unless he is brought under their control by requiring him to obtain also a licence in the province in which the port is situated, in the event of his desiring to act as a pilgrim guide in the port. The clause does not prevent a pilgrim guide from obtaining a licence in more than one province.

Clause 18 will repeal the two local Acts above referred to but will allow pilgrim brokers and pilgrim guides already licensed to continue to work as pilgrim brokers or pilgrim guides until they get a licence under the new rules.
